NEW ARRIVAL

Moonlight Gold

This bar unit radiates elegance with its rich warm tones and refined finishes. Deep wood grains create a cozy, inviting atmosphere, while open shelving and sleek cabinetry offer both style and functionality. Soft lighting highlights glassware and accessories, making it the perfect spot for entertaining or unwinding in sophisticated comfort.

BEST SELLER

Stone Sophistication

This bar unit pairs the raw beauty of natural stone with a sleek, modern design. The stone countertop and accents add texture, strength, and timeless appeal, while warm cabinetry and ambient lighting create an inviting mood. A perfect blend of durability and elegance for stylish entertaining and everyday indulgence.

Grey majestic

This bar unit combines the raw elegance of natural stone with refined craftsmanship for a truly distinctive look. The stone countertop offers a bold, textural statement, perfectly balanced by warm-toned cabinetry that adds depth and coziness. Ambient lighting subtly enhances the stone's natural patterns, creating a captivating focal point.

Compact Elegance

Designed for style in smaller spaces, this bar unit by Zione blends smart storage with a sleek, space-saving design. Open shelves display glassware beautifully, while hidden compartments keep essentials organized. Its warm finishes and refined detailing make it perfect for adding luxury and functionality without overwhelming your living area.

Louver Luxé

This bar unit incorporates stylish louvers, adding depth, texture, and a touch of architectural charm. The slatted design enhances ventilation while lending a modern, sophisticated appeal. Paired with smart storage and warm finishes, it creates a statement piece that blends functionality with distinctive style—perfect for elevating any entertaining space.
